

Press Release 02/05/2019

DiaCom Corporation has commissioned a new Heavy Duty Takumi VC1052 Machining Center. Located in our recently-opened Plant 2, the newly acquired machining center increases DiaCom's ability to produce tooling in-house thereby decreasing lead times.

The new machining center's features include:

- Table size: 40 x 20 x 24
- 12,000 RPM/472 IPM Cutting Fields
- Spindle Cooling Unit
- AiCC High-Speed Machining Capable

Diaphragm Design & Manufacturing Leader

DiaCom Corporation, an ISO 9001 and AS9100 certified company, is a recognized leader in the design, manufacture and application of innovative, high performance molded diaphragm seals. DiaCom serves a variety of markets worldwide including industrial, automotive, aerospace, food processing, water controls, medical instrumentation, appliances and others. DiaCom offers state-of-the-art diaphragms designed for cost effectiveness, ease of installation durability and high performance characteristics.
